

LIXIL Procurement Principles

LIXIL has established Procurement Principles to develop healthy business partnerships with counterparts worldwide and we aim for achieve social responsibility in our overall supply chain.

Fair and impartial trade practices

We will provide suppliers with equal and open opportunities, and solicit suppliers broadly.

When selecting suppliers, we will evaluate them fairly and impartially, paying due consideration to environmental management, human rights, and workplace safety, in addition to quality, cost, and delivery.

Conformity of social norms

We will observe laws, regulations, and rules related to procurement activities, and act in a way that gains the trust of society.

Respect for human rights and consideration for working environment

We respect internationally declared standards of human rights, and pay due attention on ensuring an appropriate working environment.

Care for the environment

We will preferentially procure raw materials that have low environmental impact.

Promotion of mutual prosperity with our suppliers

We will conduct transactions in a way that promotes mutual growth as partners.
